

CHARACTER COMMISSIONS BY MARI LIMMY

So... how does this work?

Just send me your character's description and reference images and I'll make an illustration of them similar to the **examples below**.

References can be any images showing what you want the character to look like (Hair, details of their clothes, equipment, etc.) and/or if you already have other art of the character.

Payment

- ★ I need at least **half** of the commission price upfront to start sketching, and the other half to finish. If you can pay the whole price upfront, even better!
- ★ Payment can be done via **Paypal** (ideal) or **E-Transfer**.
(Info/Invoice will be discussed and sent privately).

Commission types & Prices

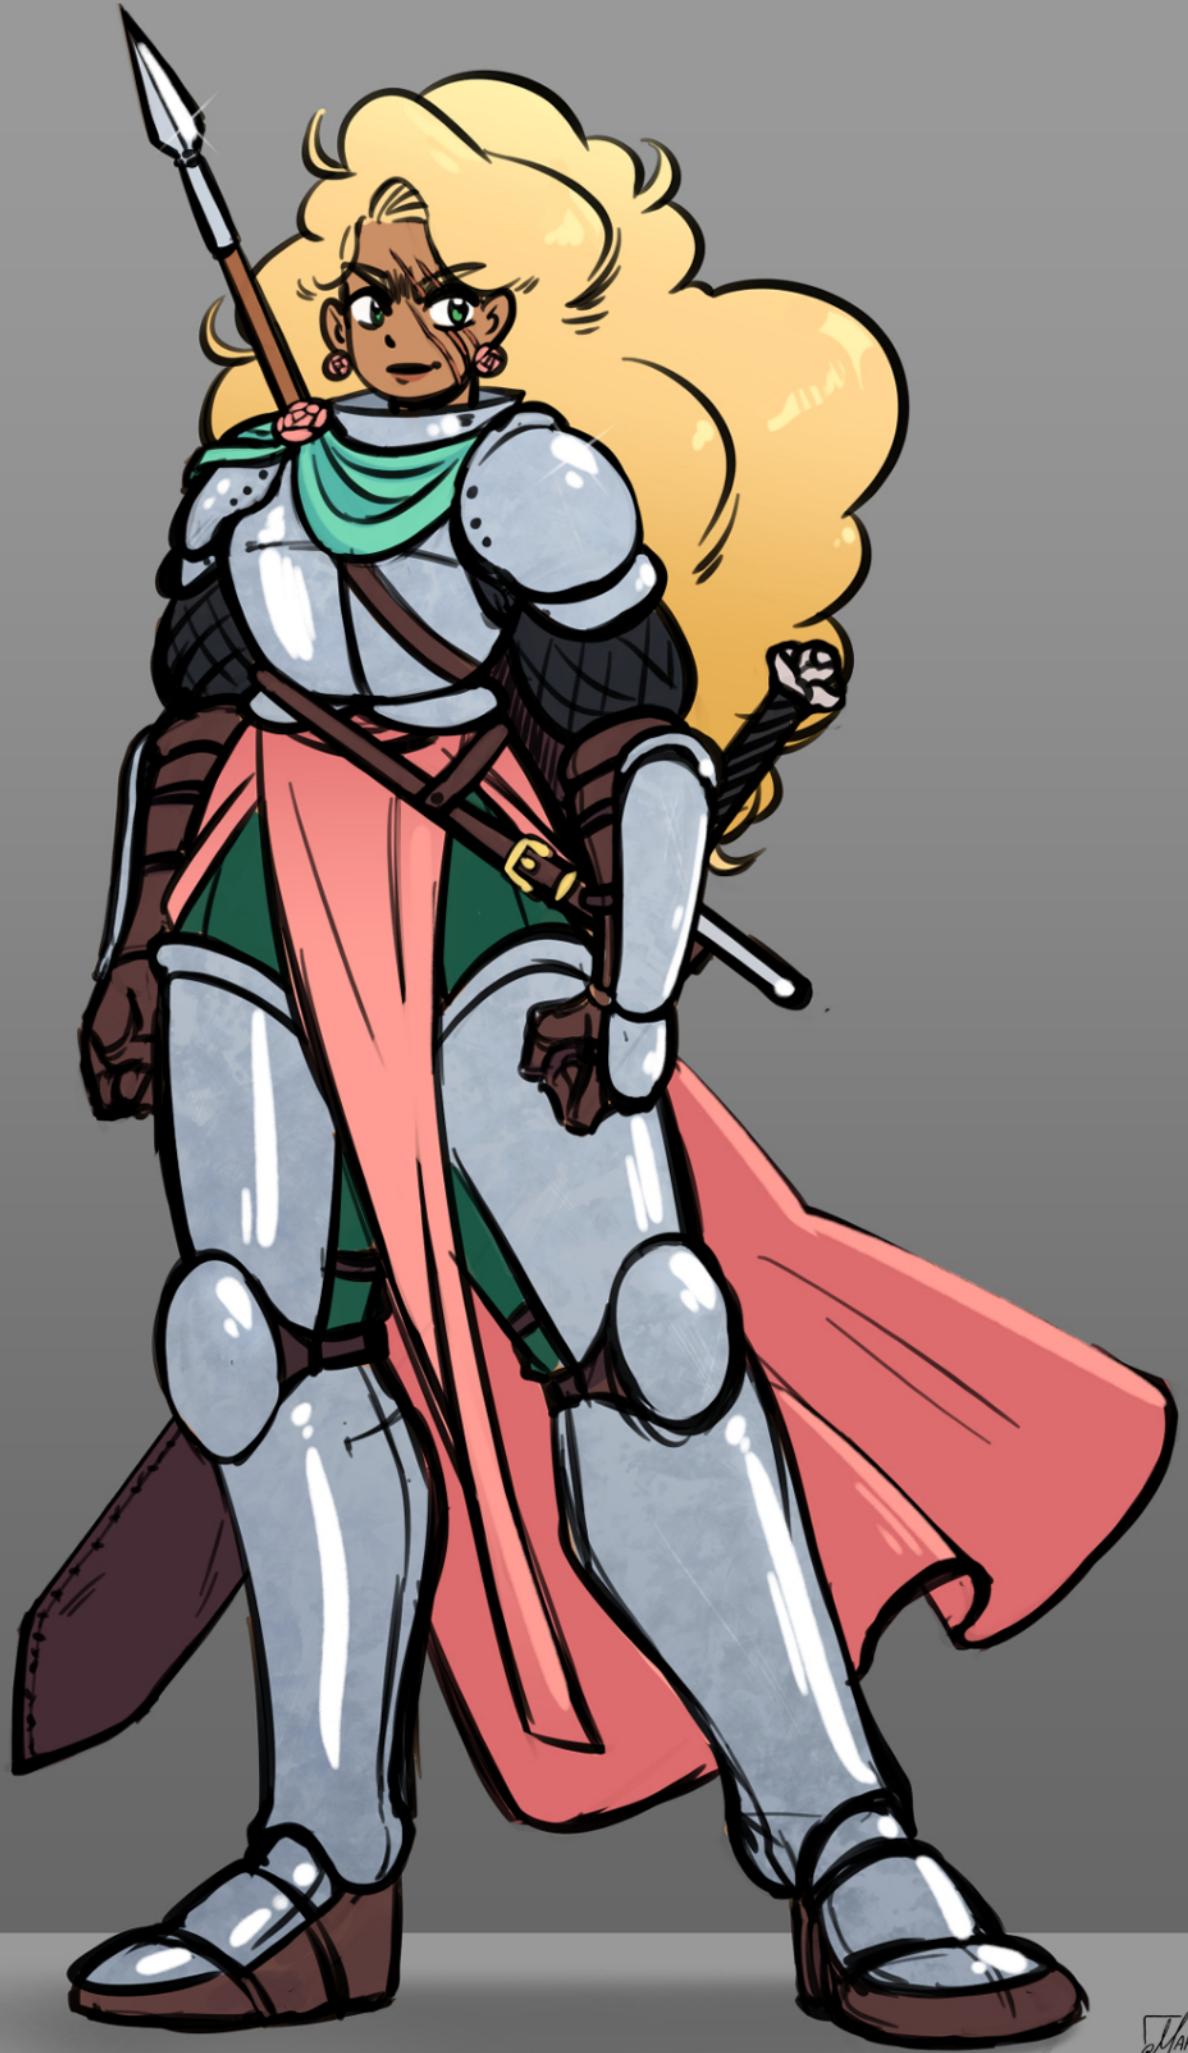

- ★ Full Body → \$70 - 90
- ★ Headshot / Token → \$40 - 50
(If you need a round version of the image for a token, just let me know!)
- Every character is different, so the price can vary depending on what you need.
- If you have an idea in mind that doesn't quite fit either of those two types, no worries. We can always talk about it and come up with a personalized quote that fits.
