This isn't  
Heaven...

... but  
I assure you,  
it is just as  
**SAFE**.

My name  
is MUSA

Welcome to  
my garden!

I am so happy  
to finally meet you  
face to face—

D-Dante?

He's still  
on edge...

I-I'm sorry  
for causing so  
much trouble...

RUB  
RUB

I didn't  
expect bringing you  
here would be so  
difficult!

Your world  
has changed so  
much...

Why?

A moment ago  
you said this was  
**HEAVEN...**

... and now  
you're acting like  
it's **HELL?**

Maybe people  
don't believe in  
Muses anymore...

Maybe  
this...

...was a  
**MISTAKE.**

**AND  
ONE MORE  
THING!**

Am I  
just LOSING  
MY MIND?!

Because it  
kinda feels  
like I am...

N-No!

FOCUS!

**SNAP!**

It's  
alright!

Your mind  
is perfectly  
fine, Dante!

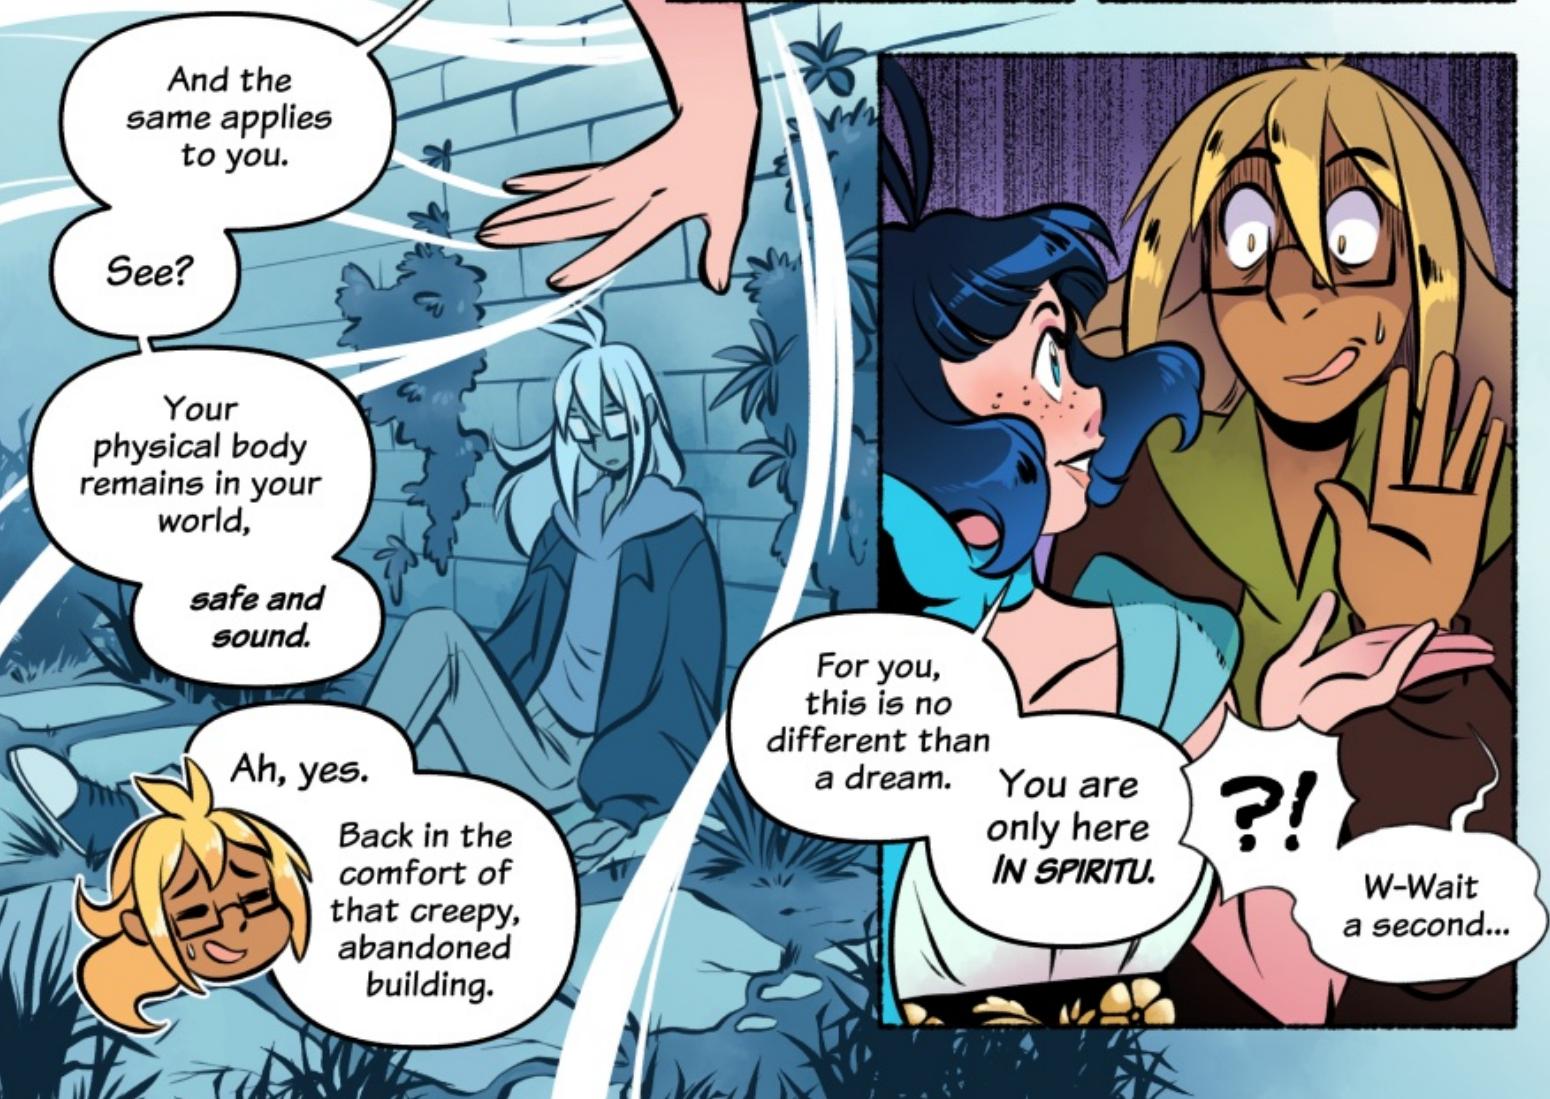

Your curiosity  
is speaking...

It can be  
overwhelming...  
I understand.

... and you  
are finally  
listening!

# Thank you for your time!
